

GENERAL PLAN OF ANIMATION

2018-2024

An impetus to a joyful and meaningful consecrated life "going forth", so that our prophecy of communion and universal fraternity be a response to the clamour of society in its peripheries.

Carmelite Missionaries

NATURE: This project consists in animating the life and mission of the Congregation from the Global Plan of the sexennium: "*Go, I am sending you*"; that may give impetus to a joyful and meaningful consecrated life that is "going forth", so that our prophecy of universal communion and fraternity be a response to the clamour of society in its peripheries.

During this whole process we will exercise a participative leadership, in constant coordination with the government teams of the demarcations; we will accompany with a sense of co-responsibility and a permanent communication with attitudes of listening, openness and discernment.

OBJECTIVES

Obj.1

To provide a participatory animation with the attitudes of closeness, openness, listening and discernment.

Obj.2

To promote animation in co-responsibility, through the articulation and dynamization of the different congregational instances, in order to strengthen communion.

We will develop the following **STAGES**:

- 1. Motivation:**
This stage consists in creating the possibilities for the acceptance and assimilation of the Congregational Plan: "*Go, I am sending you*".
- 2. Dynamization:**
It consists in giving impetus, follow-up and monitoring to the implementation of the Congregational Plan.
- 3. Commitment:**
This stage consists of consolidating and strengthening the prophetic dimension of universal communion and fraternity in current contexts.
